

Number	Bug report title
1	Incorrect web app name (Boards instead of Trello) to the right of the Trello icon in the top bar after logging into the web app.
2	The (Collapse Sidebar/Expand Sidebar) button at the top of the web app replaces the button with the Atlassian icon (More from Atlassian) after logging into the web app.
3	The search box is placed atypically (on the left instead of on the right) on the top panel after logging into the Trello web app.
4	Elements of the second row below the top panel are misaligned on the bottom edge after opening the QA Test Matador board.
5	The word 'prive' instead of the word 'private' is displayed to the right of the icon in the form of a lock in the second row under the search field after opening the QA Test Matador board.
6	List 1 title of the TODO column does not follow the To Do list naming pattern for the QA Test Matador board when it is opened.
7	The distance between the 1st and 2nd column of lists is smaller than the distance between the second and third column of the lists in the QA Test Matador board after opening it .
8	The word 'use' instead of the word 'user' is displayed on the second card from the top in the second column of the 'In Progres' list after opening the QA Test Matador board.
9	The word 'prototy' instead of the word 'prototype' is displayed on the bottom card of the second column of the 'In Progres' list after opening the QA Test Matador board.
10	The word 'Deisgn' is displayed instead of the word 'Design' on the first card at the top of the third column of the 'Done' list after opening the QA Test Matador board.
11	A double due date of "Aug 1" is displayed on the second card of the third column of the 'Done' list after opening the QA Test Matador board.
12	The fourth column of the 'Archivee' lists contains text (null) instead of being empty (if there are no cards) after opening the QA Test Matador board.
13	The Filter Cards icon is offset to the left relative to the other icons in the Menu after opening it in the Trello web app.
14	The Bold feature is not applied to the Filter Cards option in the Menu after opening it in the Trello web app.
15	The text and icon in the 'Invite' field in the Menu are not aligned vertically after opening the Menu.
16	The 'Add a card' button in the third column of the 'Done' list is placed atypically (not under the cards) after opening the QA Test Matador board.
17	The 'Add a card' font of the first column of the 'TODO' list is different from the 'Add a card' font of the other three list columns after opening the QA Test Matador board.
18	Three different participants in the Activity Menu section have the same avatar after opening the Activity Menu section of the QA Test Matador board.
19	The word UNDO instead of the word TODO is displayed in the second activity from the top of the Menu after opening the Activity section in the Menu of the QA Test Matador board.
20	The name 'Stickers' instead of 'Stickers' is displayed in the Menu after opening it.
